One word to describe how you feel tonight

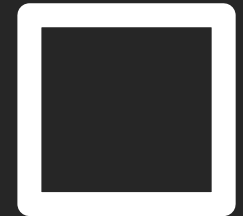

First Group Project

1. Navigate to www.bootcampspot.com
2. Sign in
3. Click Dashboard
4. Find Today's Date
5. Mark Your Attendance

By the end of this session, you will:

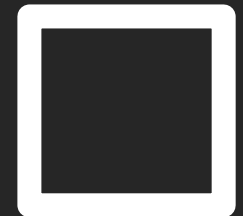

Be aware of how classes will work online.

Come to know your classmates as the community that you will rely on for collaborative learning.

Know the staff who will be providing holistic support throughout the program.

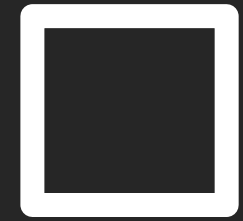

Understand the minimum requirements in order to successfully complete this boot camp.

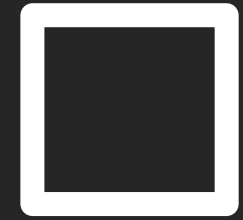

Be able to list ways to get help and support at your moments of need.

Virtual Classes

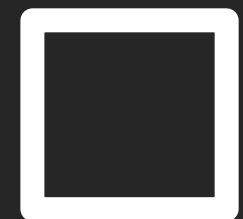

Stay on camera (front lit is best)

Set up a second monitor

Reduce distractions

Arrive on time or early for office hours

Engage on Slack throughout class

Jodi Diehl

Student Success Manager

My goal is to help you successfully complete the program.

Professional highlights:

- Freelance web developer using PHP/MySQL for 15+ years
- Created subscription-based SaaS for printing industry
- Contributed to OpenSource (plugins for WordPress)
- Developed custom WP themes and plugins
- Managed online marketing for clients: SEO/PPC/SMM

Fun facts:

I own 3 rescue dogs, enjoy video games, and can say the alphabet backwards.

You can reach me at jdiehl@bootcampspot.com

Your turn!

In 30 seconds or less, please share:

Name

Location (Live and Commuting from)

Background (Career, Education, Interests)

One Fun Fact about yourself

Jamie DeLong

Teaching Assistant

18-year Cast Member of Walt Disney World; currently working as an Administrative Assistant.

Graduate of SUNY Canton with a degree in Computer Information Systems, and completed the UCF Coding Bootcamp in May 2019. This is my 2nd cohort as a Teaching Assistant.

My passion for programming began at 10 years old when my mother brought home a ZX80 style computer. I've had the opportunity to utilize my programming skills in all of my roles at Disney creating desktop applications such as wake-up call simulators and cruise booking systems.

Ham and pineapple definitely belong on pizza.

Tim Sherry

Teaching Assistant

Healthcare Recruiter for Loyal Source
Government Services - 3 years.

Graduated from Seminole State College with my
AA then went on to graduate from the UCF
Coding Bootcamp in November of 2019.

I am currently working freelance assignments for
small business owners looking to get their
companies off of the ground.

I am a proud movie fanatic and attend the
movies weekly.

Michael Pascuzzi

Instructor

Software Engineering Senior Manager at Express Scripts, subsidiary of Cigna.

I was a security guard in downtown Orlando before I did The Iron Yard coding bootcamp and changed my career in 2015. I've been coding for five years.

I did get a BS in Computer Information Systems from FIT in 2017 and am working on a 2nd bachelors in Computer Science from UF in the little spare time I have between working, teaching, and raising 2 boys.

Fun fact, I can say the alphabet backwards like Jodi, \$20 says I could say it faster.

Our Classroom Values

We Never Stop Improving

We lend an ear to both praise and feedback to deliver our best work.
This process is a journey and not a destination.

We Bring a Can-Do Attitude

We confront challenges with enthusiasm and figure things out. We value effort, commitment, learning, and an attitude toward growth.

We Only Succeed Together

Teamwork is critical to our success, and we place a tremendous value on how we work together across the entire cohort.

We Respect the Rights, Differences, and Dignity of Others

We want to create a learning space where people can bring their full selves. In order to do this we must all respect the diversity of our experiences and how it contributes to our learning.

Requirements to Achieve a Certificate:

☐

Miss no more than 4 classes (optional 4 remote days)

☐

Have no more than 2 missing homework assignments

an Incomplete will count as a missed assignment + impact GPA

☐

Participate in all projects

☐

Account must be paid in full

Let's Review What We've Covered So Far:

-  Come to know your classmates as the community that you will rely on for collaborative learning.
-  Know the staff who will be providing holistic support throughout the program.
-  Understand the minimum requirements in order to successfully complete this bootcamp.
-  Be able to list ways to get help and support at your moments of need.

Break

See you back
in 15 minutes!
